<b>해외 유학/교환학생 프로그램 참여를 준비하는 학생을 위한 조언:</b> Would you have advice or tips for someone preparing for a study abroad program? Friends who are fluent in English should practice words and sentences that are often used abroad, and those who think they are not good at English should be prepared to study in advance. Also, it would be good to go around with Korean friends, but it would be good to make a lot of foreign friends and hang out!!
